Call for Papers

— The 24th International Symposium on Advanced Technology (ISAT-24)

Date: Saturday, November 22-23, 2025

Host University: Kogakuin University of Technology and Engineering, Tokyo, Japan

Format: Onsite + Online (Hybrid)

Conference Venue: Kogakuin University of Technology and Engineering, Hachioji Campus

Website: https://www.kogakuin.ac.jp/isat/

【Overview】

The International Symposium on Advanced Technology (ISAT) is an annual joint academic conference organized in rotation by four partner universities:

Southern Taiwan University of Science and Technology (Taiwan),

Danang University of Science and Technology – The University of Danang (Vietnam),

University of the Philippines (Philippines), and

Kogakuin University of Technology and Engineering (Japan).

ISAT-24 warmly welcomes presentations from students, faculty, and researchers affiliated with these four universities. The symposium serves as a platform for academic exchange and collaboration across diverse fields of science and engineering.

【Eligibility】

Undergraduate and graduate students, faculty, and researchers of ISAT member universities.

Collaborative submissions with external researchers are welcome, provided their affiliation with a member university is clearly stated.

【Main theme of ISAT-24】

Innovations in Engineering for a Sustainable and Inclusive Future

TOPICS of ISAT-24: Topics of interest include, but not limited to:

1. Sustainable Materials and Manufacturing
2. Smart Systems and Automation
3. Energy Systems and Environmental Engineering
4. Urban Infrastructure and Resilience
5. Bioscience and Food Engineering
6. Advanced Functional Materials
7. Architecture and Civil Engineering Innovations
8. Chemical and Environmental Engineering
9. Information Technology and Informatics
10. Education and Human Science
